

CELEBRATING COMMUNITY

---

### UCO NAACP and UCO BSA

Members of University of Central Oklahoma's National Association for the Advancement of Colored People and Black Student Association volunteered in our warehouse as part of UCO's NAACP Week recognizing Black History Month this February.

We're honored to have served with these groups in celebration of 115 years of the NAACP!

HOPE CENTER OF EDMOND

HOPEFULLY YOURS

was organized in April 1984 to meet a community need for a central agency to provide social services. The Center was developed by the Edmond Ministerial Alliance, an interdenominational council of churches, with volunteers and a grant from the Edmond Women's Club. Services include a food pantry, clothing room, financial assistance for rent or utilities, and a prenatal clinic with WIC services. Prescription and transportation help are also available.

Our name is our mission: Helping Our People in Emergencies.

is a resale project that helps support the mission and programs of the HOPE Center of Edmond. All store proceeds are utilized to fund HOPE Center Health Clinic, and to purchase the fresh milk, meat, and produce included in food packages for families. HOPEfully Yours is how the HOPE Center is able to fully utilize all of the donations we receive for the maximum benefit of our clients.

When you shop with us, you are directly supporting your neighbors in need!
