

## STARTING OFF the NEW YEAR STRONG

**Oklahoma Christian School** was a big help sorting our mountain of holiday donations. Volunteers are an essential part of HOPE during the busy winter season!

## FROM PAIRS of JEANS to PURPOSEFUL PATCHWORK

---

With January bringing dangerously frigid temperatures, donations of sturdy, warm blankets make a difference for our neighbors in need.

Myrna Meyer delivered us quilts handmade by the women of the Night Lighters Lutheran Women's Missionary League at Holy Trinity Lutheran Church. The group assembles the quilts with donated pairs of jeans and gifts them to organizations and individuals.

Blankets and sheets are just a few of the essentials we are able to offer clients as a result of our community's efforts and generosity.

## COUPONS PAY OFF

Local donor Rachel Buehrle gifted our Center this entire bucket of hygiene and household cleaning items purchased through couponing.

Necessities like this are greatly appreciated and are included in every food package we prepare. Thank you to Rachel for using your expertise to benefit our clients.
